The Year 2003

James J. Hager

Superintendent

Your high school days are but memories and a wonderful and exciting future lies before you. The vocational and academic preparation you have received at Southeastern has laid a firm foundation on which to build a career or to pursue post secondary education. Wherever your future takes you, it is my sincere hope that you will look back on your years at Southeastern as having prepared you to meet and deal with the challenges that life will present.

I wish to each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. May the future be yours. The best of luck and congratulations to the Class of 2003.

James J. Hager
Superintendent

Jerome Burke

Assistant Superintendent Director/ Principal

To the Class of 2003

Congratulations to the Class of 2003. Four years ago, you came from a variety of communities anxious and concerned about what high school would be like. Those four years passed quickly and you succeeded when many others did not. You completed a major milestone your path to success graduation from high school.

The vocational/technical and academic skills you developed during the past four years prepared you for your future successes. If it is a job or further education, you possess the skills and knowledge to succeed; the motivation and determination to succeed; but most of all you showed the attitude to succeed.

I congratulate you on this great achievement.

Remember the people who helped you along the way, your classmates, your teachers, and especially your parents. Maybe one or all touched your life, provided that important word or hug when you needed it most. I hope you thank them for their support and encouragement. I hope you continue to find support and encouragement from the people around you. Don't settle for less than the best, you deserve the best.

It is my pleasure to know the Class of 2003. Your smiles and greetings made my job so very special and I thank you for that. I will greatly miss you. I wish that you continue to experience success, happiness, and joy: appreciate the lessons that each day teaches. It is the only life we have I am pleased I shared part of my life with you.

I hope that you continue to be involved with Southeastern Regional. Our alumni are our best supporters as members of our alumni association, advisory boards, parents' groups, and as teachers.

I know the Class of 2003 will continue to support the Southeastern Community.
